The Customer may not transfer or assign the use of service offered by the Company without the express prior written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of service. All terms and conditions contained in this tariff shall apply to all such permitted transferees or assignees, as well as all conditions of service.

2.5 Liabilities of Company

2.5.1 The liability of the Company for damages of any nature arising from errors, mistakes, omissions, interruptions, or delays of the Company, its agents, servants, or employees, in the course of establishing, furnishing, rearranging, moving, terminating, or changing the service or facilities or equipment shall not exceed an amount equal to the charges applicable under this tariff (calculated on a proportionate basis where appropriate) for the period during which such error, mistake, omission, interruption or delay occurs.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.5 Liabilities of Company, (Cont'd.)

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.6 Liability of the Customer

The Customer shall indemnify, defend and hold harmless the Company (including the costs of litigation and reasonable attorney's fees) against:

- 2.6.2** Claims for patent infringement arising from combining or connecting the Company's facilities or equipment with facilities, equipment, apparatus or systems of the Customer; and
- 2.6.3** All other claims (including, without limitation, claims for damage to any business or property, or injury to, or death of, any person) arising out of any act or omission of the Customer, or the Customer's agents, servants, employees, or customers, in connection with any service or facilities or equipment provided by the Company.

2.7.3 (Cont'd.)

A. Public Pay Telephone Surcharge

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all interstate, intrastate and international calls that originate from any domestic pay telephone used to access the Company's services. The Public Pay Telephone Surcharge, which is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with the Company's service, applies for the use of the instrument used to access the Company service and is unrelated to the Company's service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (i.e., using the "#" symbol).

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.8 Terminal Equipment

The Company's facilities and service may be used with or terminated in Customer-provided terminal equipment or Customer-provided communications systems, such as a telephone set, PBX or key system. Such terminal equipment shall be furnished and maintained at the expense of the Customer, except as otherwise provided. The Customer is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of the Company's service. When such terminal equipment is used, the equipment shall comply with applicable rules and regulations of the Federal Communications Commission, including, but not limited to, Part 68. In addition, equipment must comply with generally accepted minimum protective criteria standards and engineering requirements of the telecommunications industry which are not barred by the Federal Communications Commission.

2.9 Installation

No installation at the Customer's Premises is required to use the Company's service. Service is initiated by request of the Customer. The Company may refuse to provision service when the Company cannot verify that the party requesting the Company's service is authorized to request or to change service.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.10 Payment for Service

- 2.10.1** Service is provided and billed on a monthly basis. Fixed monthly charges are billed in advance; usage charges are billed monthly in arrears. Bills are due and payable upon receipt. A late fee of 1.5% per month (or the maximum amount allowed by law, whichever is lower) applies to any unpaid and past due balance. The late fee begins to accrue on the 16th day after the billing date. In the event that the Company incurs fees or expenses, including attorney's fees, collecting, or attempting to collect, any charges owed to the Company, the Company may charge the Customer, and the Customer will pay, all such fees and expenses reasonably incurred. Collection fees on overdue charges apply in addition to all applicable late payment charges and shall begin to accrue when the Account is assigned to an outside collection agency.
- 2.10.2** The Customer is responsible for payment of all charges for service furnished to or used by the Customer, or the Customer's agents, servants, employees or customers. The Customer is also responsible for payment of charges for a third person's use of service to which the Customer subscribes. All charges due from the Customer are payable to the Company or to the Company's authorized billing agent. Any objections to billed charges must be reported to the Company or its billing agent within six months after receipt of bill. Adjustments to the Customer's bill shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.
- 2.10.3** The security of the Customer's Authorization Codes is the responsibility of the Customer. All calls placed using such Authorization Codes shall be billed to and shall be the obligation of the Customer. The Customer is responsible for all calls placed via their Authorization Code, whether such use is as a result of the Customer's intentional or negligent disclosure of the Authorization Code or otherwise. However, the Customer shall not be responsible for charges in connection with the unauthorized use of Authorization Codes arising after the Customer notifies the Company of the loss, theft, or other breach of security of such Authorization Codes.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.10 Payment for Service, (Cont'd.)

2.10.4 Any objections to billed charges must be reported to the Company or its billing agent within sixty (60) days after receipt of bill. Adjustments to the Customer's bills shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.

2.10.5 The Customer shall be responsible for all calls placed by or through Customer's equipment by any person. In particular and without limitation to the foregoing, the Customer is responsible for any calls placed by or through the Customer's equipment via any remote access features.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.11 Deposits

2.11.1 The Company reserves the right to examine the credit record of the Customer, using any lawful sources for determining credit standing. If the Customer's financial condition is unknown or unacceptable to the Company, the Customer may be required to provide the Company with a security deposit which the Company may apply against overdue charges. The amount of the security deposit shall be equal to three months' estimated usage but may vary with the Customer's credit history and projected usage. The Customer shall be informed that after one year of service the Account shall be reviewed, and in the event that all amounts due have been paid within the terms and conditions of this tariff, the deposit shall be refunded in full. If subsequent payment or usage patterns change, the Company may request an increase in or re-institution of the security deposit as appropriate. The Company may also require a security deposit before service is restored (along with the payment of overdue charges) from the Customer whose service has been discontinued for nonpayment of overdue charges. Such security deposit may be based on a new credit history (taking into account the discontinuance of service) and estimates of usage.

2.11.2 The fact that a security deposit has been made in no way relieves the Customer from the prompt payment of bills upon presentation.

2.12 Advance Payments

The Company reserves the right to require an advance payment from the Customer instead of or in addition to a security deposit. The advance payment shall be in an amount equal to or less than estimated installation charges plus two months' estimated billing.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.13 Interruption of Service

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence or other wrongful act or omission of the Customer, or to the failure of channels, equipment and/or communications systems provided by the Customer, are subject to the general liability provisions set forth in this tariff. It shall be the obligation of the Customer to notify the Company immediately of any interruption in service for which a credit allowance is desired by the Customer. Before giving such notice, the Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by the Customer. Interruptions caused by Customer-provided, or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via LEC access. For purposes of credit computation, every month shall be considered to have 30 days. For services with a monthly recurring charge, no credit shall be allowed for an interruption of continuous duration of less than twenty-four hours. For usage rated services, credits will be limited to, at maximum, the price of the initial period of the individual call that was interrupted.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.14 Cancellation and Restoration of Service

Service continues to be provided until canceled by the Customer or until canceled by the Company as set forth below. The Company may render bills subsequent to the termination of service for charges incurred before termination. The Customer shall pay such bills in full in accordance with the payment terms of this tariff.

2.14.1 Service may be suspended by the Company, without notice to the Customer, by blocking traffic to certain cities or NXX exchanges, or by blocking calls using certain Customer Travel Cards when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore services as soon as it can be provided without undue risk, and will upon request by the Customer, assign new Travel Card codes to replace ones that have been deactivated.

2.14.2 Cancellation by the Customer

The Customer may have service discontinued upon written or verbal notice to the Company. The Customer shall pay the Company for service furnished until the cancellation date specified by the Customer or until the date that the written cancellation notice is received, whichever is later.

2.14.3 Refusal, Suspension or Cancellation by the Company

- A.** For nonpayment: The Company, by written notice to the Customer and in accordance with applicable law, may refuse, suspend or cancel service without incurring any liability when there is an unpaid balance for service that is more than 60 days overdue.
- B.** For returned checks: The Customer whose check or draft is returned unpaid for any reason, after two attempts at collection, shall be subject to refusal, suspension or cancellation of service in the same manner as provided for nonpayment of overdue charges.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.14 Cancellation and Restoration of Service, (Cont'd.)

2.14.3 Refusal, Suspension or Cancellation by the Company, (Cont'd.)

- C.** For lack of use: The Company, by written notice to the Customer, may refuse, suspend or cancel service in the same manner as provided for nonpayment of overdue charges if after three full billing cycles the service has not been used.
- D.** For violation of law or this tariff: Except as provided elsewhere in this tariff, the Company may refuse, suspend or cancel service, without notice, for any violation of terms of this tariff, for any violation of any law, rule, regulation, order, decree or policy of any government authority of competent jurisdiction, or by reason of any order or decision of a court or other government authority having jurisdiction which prohibits the Company from furnishing such service or prohibits Customer from subscribing to, using, or paying for such service.
- E.** For the Company to comply with any order or request of any governmental authority having jurisdiction: The Company may refuse, suspend or cancel service, without notice, in order to permit the Company to comply with any order or request of any governmental authority having jurisdiction.
- F.** For unauthorized or unlawful use of Travel Card numbers and Authorization Codes: Travel Card Numbers and Authorization Codes are issued by the Company only to the Customer and may not be sold or otherwise distributed without the written consent of the Company. Any unauthorized or unlawful use of such numbers or Authorization Codes shall result in the immediate refusal, suspension or cancellation of service without notice.
- G.** The Company reserves the right to deny service to a new applicant for service if the applicant cannot show reasonable credit-worthiness.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.14 Cancellation and Restoration of Service, (Cont'd.)

2.14.4 Notice of Discontinuance

The Company may refuse or discontinue service under the following conditions provided that, unless otherwise stated in this tariff, the Customer shall be given 15 days notice to comply with any rule or remedy any deficiency:

- A.** For use of telephone service for any purpose other than that described in the application.
- B.** For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by or its agents.
- C.** Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect the Company's equipment or service to others.
- D.** Without notice in the event of tampering with the equipment or services owned by the Company or its agents.
- E.** Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the Company may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.

2.14.5 Restoration of Service

If service has been discontinued for nonpayment or as otherwise provided herein and the Customer wishes it continued, service shall, at the Company's discretion, be restored when all past due amounts are paid or the event giving rise to the discontinuance (if other than nonpayment) is corrected.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.15 Application for Service

The Company reserves the right to require Customers to make application(s) for service in writing using forms provided by the Company. Upon acceptance of an application for service by the Company, all applicable provisions in the Company's tariffs, as amended from time-to-time which are lawfully on file, become the agreement for service between the Company and the Customer. Requests for additional service and changes to service, upon acceptance by the Company, become a part of the agreement for service, provided that each item of additional service shall be subject to the applicable minimum term of service. Acceptance or use of service offered by the Company shall be deemed an application for such service and an agreement by the Customer to subscribe to, use, and pay for such service in accordance with the applicable tariffs of the Company, as amended from time to time, which are lawfully on file. Any change in rates or other tariff provisions which are lawfully made shall be deemed to modify all agreements for service affected by such changes without further notice by Company to the Customer.

2.16 Interconnection

2.16.1 Service furnished by the Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to technical limitations established by the Company. Service furnished by the Company is not part of a joint undertaking with such other common carriers or systems. The Company does not undertake to provide any special facilities, equipment, or services to enable the Customer to interconnect the facilities or the equipment of the Company with services or facilities of other common carriers or with private systems.

2.16.2 Interconnection with the services or facilities of other common carriers shall be under the applicable terms and conditions of this tariff and the other common carrier's tariffs.

2.16.3 The Customer shall ensure that the facilities or equipment provided by the Customer are properly interconnected with the facilities or equipment of the Company. If the Customer maintains or operates the interconnected facilities or equipment in a manner which results or may result in harm to the Company's facilities, equipment, personnel, or the quality of service, the Company may, upon written notice, require the use of protective equipment at the Customer's expense. If this written notice fails to eliminate the actual or potential harm, the Company may, upon written notice, terminate the existing service of the Customer.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.17 Inspection, Testing and Adjustment

Upon reasonable notice, the facilities provided by the Company shall be made available to the Company for such tests and adjustments as may be deemed necessary for maintenance in a condition satisfactory to the Company. No interruption allowance will be granted for the time during which such tests and adjustments are made.

2.18 Minimum Service Period

The minimum service period is one month (30 days), unless otherwise specified by tariff or contract.

2.19 Local Charges and Cellular Air Time Charges

In certain instances, the Customer may be subject to local exchange company charges or message unit charges or to cellular company air time charges to access the Company's network or to terminate intrastate calls. The Company shall not be responsible for any such charges incurred by the Customer in gaining access to the Company's network.

SECTION 2 - TERMS AND CONDITIONS, (CONT'D.)

2.20 Other Rules

2.20.1 The Company reserves the right to discontinue service, limit service, or to impose requirements on Customers as required to meet changing regulations, rules or standards of the Commission.

2.20.2 The Company reserves the right to validate the credit worthiness of Customers through available verification procedures. Where a Travel Card code cannot be validated, the Customer may be required to provide an acceptable alternate billing method or the Company may refuse to place the call.

SECTION 3 - DESCRIPTION OF SERVICE AND RATES
